
CELLULARSALES

Graduating Class of September 2018!!!!!!

"I was born in Savannah but was raised in Asheville, NC. I am thrilled to be working in a city I love with a great team around me. Before this I worked in food and beverage so it's nice to be working in a place where I get to leave at a reasonable time. Some of my passions are cooking and playing sports. As much as I love real sports I also love playing video games. Last year I built my first computer and have put it to the test for sure. My ultimate goal is to build my own restaurant right here in savannah. For now I'm gonna start slinging phones and having a good time doing it." -Zak Carroll

"I was born and raised in a small town named immokalee in SW florida. I moved away for college and now am living in orange park. I love spending time with my family and soon to be expecting a baby boy in November. I like staying fit going to the gym eating healthy and going out after a hard days work. I am excited to start here with cellulsarsales and cant wait to see how I grow and succeed." -David Cornelio

"Hello CSOKI South GA! My name is Grafton T. Geraca - 30 years young, Italian Stallion and apparently Matt Talton's big little brother look alike (although obviously much more attractive) Originally from Savannah, I've just moved back last year after 11 years in Portland, Or. I've worked with the airlines for a bit and spent the last 4 years in property management. I'm an avid golfer, part time musician and writer, craft beer and fine wine enthusiast, and extreme foodie with the dad bod to prove it. Always up for a laugh and a good time, but I do take my professionalism seriously. Ambitions include, but not limited to- getting a pilot license and owning a helicopter, climbing Machu Picchu, meeting the Dalai Lama, getting a novel published, and sailing across the Pacific. I'm very excited for the opportunity here, I've already met so many amazing people and I look forward to growing in success with you all!" - Grafton T. Geraca

"I'm Tysa Manuel and I am 33 years old! I have a 14 year old boy and we recently moved here from Las Vegas! Out in Las Vegas, I was a dental assistant which I did for 5 years. I did grow up in Vegas and graduated high school there, however I was born in Taos New Mexico. My son is a redhead with blue eyes which is super rare and I consider him my lucky charm! He's loves playing video games and is passionate about his role in his high school band. I hate seafood, love Italian food and absolutely love the rain! I'm so happy to be starting a new life and new career where the possibilities are endless! Let's go make some money!!" -Tysa Manuel

"My name is Devin Burgstiner. I am originally from North Georgia, but just recently moved to Savannah, to pursue broader horizons. I enjoy video games, and spending time with my family. I am excited to be apart of this team, and take advantage of the Opportunity!" - Devin Burgstiner
